SHEET 6 OF 6

1

Chalkboard Boss

Sit in the teacher's chair and lead one activity of your choice for 10 minutes

2

Fake Name Day

Choose a new name for the whole day. Anyone who uses your real name has to oink like a pig

3

Party Starter

Call a 3-minute dance break today. Pick the song and the moves — the whole class has to copy you

4

Triple Threat

Instead of answering, you get to ask the teacher 3 questions of your choice

5

Freeze Button

Say "freeze" once, any time today — everyone has to hold still for 5 seconds

6

Cartoon Caster

Pick 3 classmates and assign each one a funny voice (robot, squeaky, opera singer, sleepy sloth...) they have to use when answering their next question

7

Class President

Invent one silly classroom rule everyone must follow for 10 minutes (e.g. "say 'banana' before speaking")

8

Meow Number

Pick a number. All day, whenever anyone would say that number, they have to say "meow" instead (e.g. 13 becomes "one meow")

9

Stranger Things

3 times today, whenever you want, you can command the whole class to make a sound of your choice (growl, oink, cluck...)

10

Boomerang

Any question the teacher asks you, you can redirect to any classmate instead
